NEW MEMBERSHIP APPLICATION

The Herne Bay Historical Records Society was formed in 1932 to foster an interest in the history of the district. The original founders included a number of elderly residents who had been born in the early years of the Town and had already gathered a great amount of information and objects of interest, forming the basis of the Society's present extensive collection. This has been expanded by gifts, bequests and purchases over the years to include books, prints, maps, paintings, photographs, negatives, picture postcards, documents and ephemera of all kinds.

Anyone who is interested is invited to apply for membership of the Society.

Members are entitled to attend the lectures and talks held in the winter months, attend other Society events that are arranged from time to time and to receive a discounted members' price on the Society's publications. An occasional newsletter is distributed free of charge to all members.

Acceptance of new applications is subject to confirmation at the next Society committee meeting (held quarterly).

All members are subject to the rules and constitution of the Society and copies will be supplied on request. The membership year runs from the 1st October until 30th September.
